SENATOR LEWIS: I would think that...

SENATOR STULL: I will wait until later.

PRESIDENT: OK, Senator Lewis is next.

SENATOR F. LEWIS: I want to ask Senator Marvel a question. Senator Marvel your intention is that when you talk about the distribution of the same percentages of funds you are talking about to the satellite campuses and not to the total amount itself. Is that correct?

SENATOR MARVEL: Yes, that is true. I don't want some dictator to sit in Grand Island, Nebraska and bleed Hastings to death to be blunt about it. I can't be any more specific than that.

SENATOR F. LEWIS: That is what I thought that you had intended. You are....now your amendment doesn't say... and this is what I want to make sure, that we don't distribute the funds on enrollment basis to start with. You are saying that we will distribute them and when they get to the area then the area must distribute on the same percentage basis.

SENATOR MARVEL: Yes sir, and that is what I am trying to do and I'm trying to do it with the frame work of local control.

SENATOR F. LEWIS: Well if your amendment says that I have no objection to it.

SENATOR MARVEL: I wish that you would go look at it. I'm not trying to play any games, I put it right out on the table. If I could make it any clearer I would be glad too.

PRESIDENT: Is there any further discussion on Senator Marvel's amendment? If not the question is shall Senator Marvel's amendment be adopted. Do you want to close on that Senator Marvel or shall we vote? Record your vote. Have you voted? REcord.

CLERK: 26 ayes 0 nays and 23 not voting.

PRESIDENT: Amendment is adopted. Senator Stull you still have your light on did you wish to speak on the bill?

SENATOR STULL: Mr. President, members of the Legislature, I would like to ask Senator Lewis a question now.

SEN. STULL: Senator Lewis, I see in here that you don't have a committee a statement at all on 216, as it was originally introduced. All you have is action by the committee, and you didn't say who appeared for the bill or who appeared against the bill.

SENATOR LEWIS: I think that is correct Senator Stull. That is preceptive of you.
